AutoApproveTestingApp Privacy Policy

This policy explains how Test Org May 15 2024 12-27-21 collects, uses and deletes information in AutoApproveTestingApp, our app for Meta Quest on the Meta Horizon Store.

Information we collect: when you use AutoApproveTestingApp we receive your Meta Horizon user ID and your age group from the Meta Horizon platform. This is personal information. We do not collect your precise location, contacts or payment details.

How we use it: we use your user ID to sign you in and save your progress, and your age group to give you an age-appropriate experience. We do not sell your information, use it for advertising, or combine it with other data sets.

Sharing: we do not share your information with third parties, except service providers that host our servers under contract, or when the law requires it.

Deleting your data: you can ask us to delete your data at any time by emailing donework2000@gmail.com. We delete it within 30 days, free of charge, for every user wherever you live. Uninstalling the app does not delete data on our servers, so please email us.
